

EN3155 Contacts

NEW

Know-how

Driving growth through product innovation

Located in the Arve valley of the French Alps, known as the birthplace of screw-machining components, Amphenol delivers experience and expertise in designing and manufacturing contacts.

Features and benefits

Our EN3155 contacts meet the latest requirements including enhanced performances on:

- Vibrations at highest temperature
- Additional temperature exposures and variations

EN3155 Contacts

Contact selection guide
